

WHAT IS THE EARLIEST-DATED U. S. PERFIN COVER in the collection of any member? Perfin covers were authorized for use in 1908. The earliest item in the editor's Perfin cover collection is a Ford Motor Company cover dated October 30, 1908. The Ford Perfin is on the two-cent Washington, Scott #319. The cover contains an invoice for a crank case door screw, 5¢, and a trans fibre band, 25¢ - a total bill of 30¢! How times have changed!

Who has a U. S. Perfin cover bearing an earlier date?
